As far as he is cancerned this is already a big cancessian an his part...

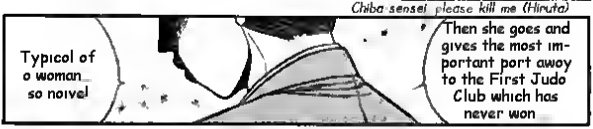
PUN your tail not white at all is similar n Japanese to "This s no fun at all!"

How annoying of Misugi!
I did as she wished and applied some pressure to the Fuuki-tinkoi
Chiba-sensei, please kill me (Hiruta)



Typical of a woman... so naive!
Then she goes and gives the most important part away to the First Judo Club which has never won

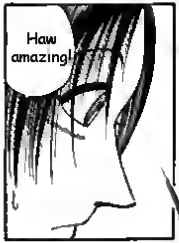
Ha ha... ha.
Couldn t draw this guy nto the panel
Da I alsa really have ta participate in the taurnament taa?
Obviausly! We anly have five peaple if we include yau!
This Shindo senpai No! Shushau
yau twit! Na fighting spirit at all!
Dan't say that! Isn't the shushau a beginner himself as well?
Nat ta mentian... A white belt like me isn't qualified ta ga inta the schaal's internal selectian taurnament...
What? Didn't yau thraw that fat pig with the Yama Arashi?
But but I am really weak...
A 160kg abject went flying up inta the air!♡
but I have no memory af it at all
Oh? The "Yama Arashi"?
How rare

Can it be that this is
!?
Eh?
You're right
Then... why's that guy wearing a black belt?
Yeah...
He still didn't give you back your Judogi right?
...in the end
What! You are actually copying me!
If a person is strong, then it doesn't matter if they wear the black belt an day one!
Is that really okay?
Kyakutan-ryu is all about true ability!
Don't worry about minor details like this!
Judo h story starts today
.....
Ah?

Kata Gatame... Shoulder Hold... a pinning move

Hiji Ate... Elbow Strike

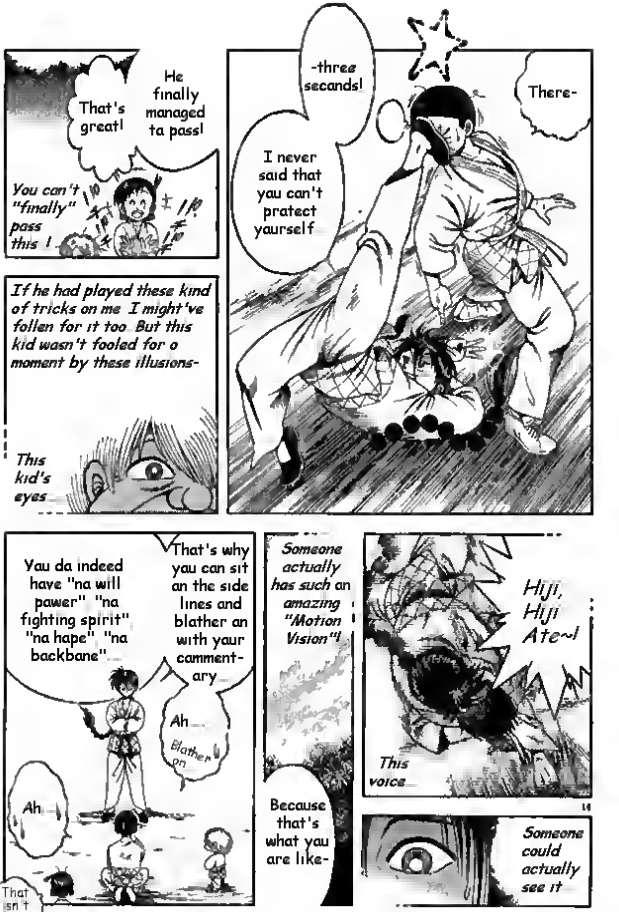


But!
So not surprisingly I
On the other hand it was being filmed at high speed the camera wasn't steady and it happened so quickly
I didn't notice it myself at the time
The elbow
was already on the way
A test-
-but it isn't as hard as you think!
10
Are you ready-
Great that isn't hard at all!
Yup just
just three seconds?
Three seconds?
you can keep your eyes on me then you pass!
If for three seconds-
!!

GO!
AH?
One sec-ond-
Such ... such high speed!
I can't even keep track of shushou's movement
forget the "Just"-
WA WA WA!
URR
Urh
Grr-
Easy!
Eh?

Two seconds-
!!
UR!?
Making me think he jumped upwards-
And also threw a handful of dirt upwards-
Take care.
Get me used to horizontal movements, then abruptly change directions-
What a cunning fellow!
Dis, dis-appeared!

!!
BELOW!



That's great!
He finally managed ta pass!
You can't "finally" pass this !
If he had played these kind of tricks on me I might've fallen for it too. But this kid wasn't fooled for o moment by these illusions-
This kid's eyes...
-three secands!
There-
I never said that you can't pratect yaurself
Yau da indeed have "na will pawer" "na fighting spirit" "na hape" "na backbane"...
That's why yau can sit an the side lines and blather an with yaur commentary...
Ah...
Blather on
Ah...
That isn't quite right!
Someone actually has such an amazing "Motion Vision"!
Because that's what you are like-
Hiji, Hiji Ate~!
This voice...
Someone could actually see it

I don't think you have "No Talent"
But at least-
!!

Shindo senpai !
.....

No this... that...
This, this is the first time I....
But if you still give me the "No Can Do"-
Then we the Kyokutan-ryu will have to treat you as "No Use"!

I...
I...
want...
...have been considered to have a talent other than doing the laundry!
If you want me to let you join just say it!
Mr. "Ni, Sure Thing in Life"!
So that's it! I knew you wouldn't allow a guy to join for no reason!
Fine, let's not mention that for the moment...
Just maybe... I am unexpectedly talented!
You must do your best!
Want... to give it a go!
Even if I have to use force I will make you change into a Judogi!
STOP STRUGGLING!
Making her change into a Judogi isn't all that you are after is it?
Don't you worry about that
but to convince the fifth person to join- if it's Mayumi that will take some effort right?
16
What I want her to do I'll think about later
Mayumi may well become one whose reputation was ruined by gambling
With all the recent going-ons I almost forgot-
Mayumi is so in debt to me that her ass is practically mine!

Are you here?
KOTARO!
Hey... looks like that area is tinted
Th-s is certainly not a peaceful land...
!!
I have a request!
Umm... can I ask you for a small favor...
"No back bone"!
Huh?
Hohoho ex~cellent
!?
Hoho... speak of the devil
Let me help you use force!
No need for that-
Mayumi senpai

I am going to temporarily put aside my duties as a Fuuki-iinkai prefect-
to compete in the tournament together with you!
18
Then, then... Moyumi senpai you are going to practise Judo too?
Aren't you short one person?
You'll have to teach me Judo in the future
And I used to do a bit of Karate as well!
what's going on?
Hmm?
In fact... it's all because of this...
To be issued from tomorrow onwards-

I WILL NOT LET THAT ARROGANT WOMAN DO AS SHE LIKES EVER AGAIN!
THIS IS ALL RUMIKO MISUGI'S DOING!
And how dare they put my face on it!
Wow! Ho hohoho~!
The new Fuuki-iinkai uniform!
WOW!
Hmm...! With this how can we let her put aside her duties as a Fuuki-innkai prefect?
I I think we should just find another person...!
!!
Have not yet noticed that this was all part of a conspiracy being planned by a mysterious person...
YOU BAST-ARDS!
I want to see the real life version too
At this point in time- Kotaro and the others-

——HEY!

Hey? Hey? Right?
So——

My name's Mato Rai
I think "Toilet"-san is the one to ask!
That guy's no use! He went with the old hag to China and isn't in Japan right now.
What do you think of getting Kisaragi to join?
Let me join
Doesn't he have some half-decent martial arts talent?
That kid's good. Judo will be no problem!

-But, we all want to see how she looks in that outfit!
Mayumi senpai can't maintain order at school wearing this outfit!
CAN YOU GUYS JUST LISTEN TO ME——?
...you've already checked out and didn't tell him to stop?
He's still cleaning the windows for me back at the hospital!
Shushou! I have a suggestion!

I am — telling — you —!?
Why not? Won't it look good?
I don't want to dress up like that!
but she won't be able to do Judo
So why don't we get her to practice Judo in that outfit?
Good idea!
The little girl's a genius! ♡
Maybe we shouldn't have shown her the new uniform so soon?
No... I think she would've found out sooner or later...
GAARGH!
But it seems someone important has been left...
...out?
However... when you listen to them mention all these names... don't you feel something is out of place?
...how so?
Even if they didn't say the captain's name, they did refer to him...
Captain -> Tenkouji
Hohoho! Which idiot is it?
Someone's bound to get killed one day
Oh please~ can't you wait until we're out before you go stepping Landmines on them? aren't cheap you know!

Dancho - "Group Leader" replacing (OuenDAN) Chief *Cho* - "Leader" or boss

—Anyway I am now a member of the Kyokutan-ryu Judo Club~
I'm not going back to the Ouendan no matter what!
Aren't you tired of it yet? Haven't I been retired for two years?

O Kubi Gari - Major Neck Reaping

!!
AH!

Momo-taro's speed may be a little slower than mine—

Uroshino senpai's movement
Unf unf ♡

BUT NOT BY MUCH!
And this kid actually
I'm... I'm sorry...
WHAT'S SO FUNNY!

As a white belt...
A first year-

He must have just managed it by accident!
WAH!

Saw, saw it!

Let's see how long you can keep it up~~!!
Wa hool
I can see them
Urr-?
HMPH!
Uroshima senpai's move-ments-

Can see...
OOF!

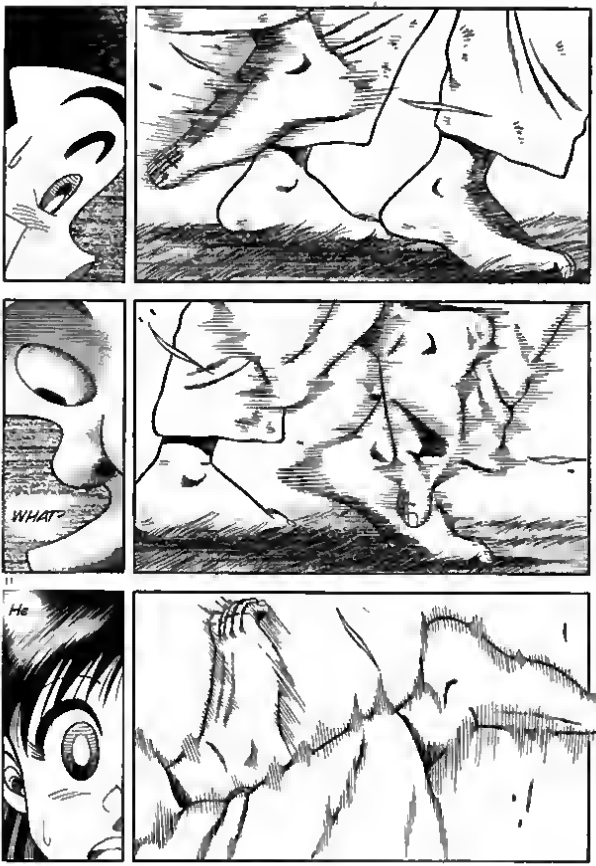
HOW CAN A FIRST YEAR WHITE BELT BRAT REALLY BEAT ME...!
WAHA HAHA! HOW'S THAT!
BA-KA!
YOU CAN'T USE KICKS IN JUDO-!!
8
WASN'T THAT AN ILLEGAL MOVE?
Then that's a win for me then!
Mayumi senpai stands out for sure! She can do such a high kick
just when it was about to get really interesting too
He prob-ably can't continue I think?
He took a solid kick from Uroshino-san-

Sanshiro!
!!
That's great~~~!
Then, then the match is considered over....?
Hoho, hoho!
He got up?
Very good!
Greatly reducing the power of the enemy's attack....
So that's it... Shifting the weakness at the back of the head in a flesh-
Keikoku - "warning". Most serious non-disqualifying penalty
And-
Ah?
What's he sighing over there about?
I should've pretended to be unconscious...
The match-
Momotaro also receives a "Keikoku".
YOSHI!
(continue)
Hai, hai....
My book!!!
No back bone.
If you don't attack, I'm gonna "shido" you!
You there with "no back bone", don't just keep dodging!
Eh?
Not again yet!
DAMN!
educational shido!
Shido - "Guidance" - the most basic penalty indication.

Quit bothering me! All your kicking has made me forget how to attack!
HAAA-JIME ALREADY!
HA-JIME!
HA-JIME!
HAJIME!
...even if the shushou tells me ta... in all my years of Judo I've never gone on the offensive myself...
Even if the opponent is wearing a mask so I'm not so nervous...
I DON'T CARE WHAT YOU GARI, JUST HURRY!
NOW MY "O SOTO GARI" IS PERFECT!
OKAY, I'VE GOT IT DOWN PAT!
Forget about that now-
JUST PREPARE TO DIE!
YOU FIRST YEAR-
Since I know what move he is going to do-

HUH HUH!
Let's block his offense first...
He let it happen on purpose...
Ah! He's been caught by his clothes!
...No!
Senpai's power is really in a class of its own...
So... so terrifying...
Urr...
URR
OH
OH
OH

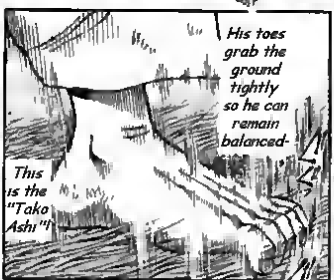
HURR YAAA! OH-
IT'S THE "O SOTO GARI" FOR REAL THIS TIME!
AH-?



WHAT?
He

URRR
OHHH!
Dodged it!?

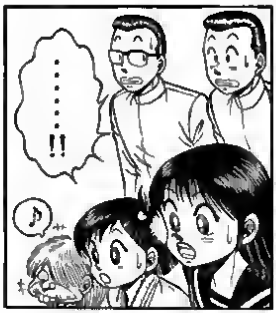
From the looks of it, Sanshiro's certain to win!



His toes grab the ground tightly so he can remain balanced-
This is the "Tako Ashi"!

Even when standing on one foot he remains unaffected-
- that's it right there

3 ***Tooru*** = transparent or pass through



Soremade · That's all

I am a man after all af caurse I am hanar baund ta accept
—Well?
Na prablems with yau being a reserve naw?
Urr Urr !
As lang as I can stay by the dancha's side sa what if I am a reserve
VERY-GOOD!
I NEVER AGREED TO THAT!
Then Mayumi will have ta dress up like this ta practice Juda
OOF!
15
Nat anly da yau have gaad eyes yau are really skilled taa
Yau are a white belt naw but back in juniar high yau must have been quite famaus at competitians!

I have practised Judo for ten years...
Hey?

It'll cost you fifty thousand to resit the test.
I CAN'T ACCEPT THIS! I JUST CAN'T!
LET ME FIGHT HIM AGAIN!
Great! That is so great~!
This is the first time I won an "Ippon"!
YOU EXTORTIONIST!
Why's she crying too?
I had already noticed earlier on-
I'll deal with that later-
YEAH!
You can't ask the opponents to wear masks even in the official matches right?
But there is one problem...
His win wasn't due to just plain luck-

Hahaha!

Dancho

There s nothing particularly complicated about how the Japanese language names the leader of any particular organization The word *Cho* refers to the "leader" and accordingly the leader of the *Ouendan* (or "Support Group") is called the *Dancho* The leader of the *Fuuiki-iinkai* (Morality Committee) would be *Kaicho*

There are of course exceptions to the rule Somewhere

Tooru

O Soto Tooru does not appear to be a Kodokan recognized technique The word "*Tooru*" however means "transparent" which suggests that it is a style of throw counter where the Judoka avoids the enemy s attack and instead uses the opportunity to unbalance their opponent

Therefore the *O Soto Tooru* is the counter to *O Soto Gari* using the *Tooru* technique Probably

Judo Penalties

The Judo penalty system mirrors the scoring system and for each offense awards the opponent variable points depending on the severity of the rule breach

Shido - Guidance A minor penalty Adds *Koka* to the other side s score

Chui - Caution Further minor rule breaches or a moderately serious breach Gives *Yuko* to the opponent

Keikoku - Warning Further moderate breaches or a serious one Opponent is awarded *Waza-ari*

Hansoku - Disqualification Very serious Awards Ippon to the other side

Ohayo~ Shushoul
Good morning everyone
I want to build our new dojo
Right on Kyokutan-ryu's piece of land!
in a bad mood?

If you think about this carefully it is really not in our favor!
We of the 'First Judo Club' must win the tournament That is the condition
Because in the First Judo Club apart from Toshi-niichan and the fushou Tako there's no one who is even sure of winning the first match
But now that he has been expelled ——
My dream of building a new dojo ——
remains still just a dream!
That's why I even risked angering Toshi-niichan in order to arrange for that idiot Daigo to join the First Judo Club

HE'S FUH-RER!
HITLER-
RKC: I "try" to make it a pun, OK?
Since I was a boy I've admired my older brother always asking his advice and always following in his footsteps..
..what a tale of human tragedy.
Me
And now-
That older brother for whom the girls in the school fell in droves, is the man that I respect the most!
fell n droves?
Then add to that these super sexy thick lips

THEN I CAN SURPASS MY OLDER BROTHER!
IF I CAN SUCCEED IN DOING WHAT MY BROTHER DREAMED OF DOING-
AND THAT IS TO MAKE YOU AND KYOKUTAN-RYU DISAPPEAR FROM THE FACE OF THIS PLANET-
What's in it for you if you surpass that guy?
If anyone opposes this "Dojo" proposal-
Please send up! (stand up)
Isn't that abusing your power? and the uniform too
To turn that piece of land into a prize for this kind of selfish personal reason on your own authority
I called an emergency session this morning and it was passed by all the councilors!
On my own authority?

RKC I don't want to hear it

Chiba-sensei, this is the last time, really!
—the result of the vote was unanimous
Who can actually stand up?
Ah?
No matter what tricks he used the important thing is it was unanimous right?
BUT
Forget it! You can't orgue with people who like wearing these kind of lips!
I am the kind of guy who likes to use brains not brawn!
YOU CHEATED!
Got the rope!
Wrestling if wrestle touches side rope can't hit him (yeah~)
In other words even if it's Kyokutan-ryu that wins-
The Student Council will carry out their promise and build a new dojo for us right?

I am already aware of Kyo-kutan-ryu's future plans!
Ho the Student Council's intelligence division is certainly on the ball!
To win the tournament- with a team that includes two girls?
And an old man and me!
Yikes-! Not just defeating Iga shushou
This of course also has the unanimous support of the entire Student Council!

Kumi's house cats later in the volume aren't imaginary! They are my cats who are living in my studio! Let's take the chance to introduce them all!

SORO'S FAMILY REVEALED!

EVERYONE'S HERE!

1. Soro (male)
He is actually a male cat, but because he is really too fat, a lot of people think he is pregnant!

2. Mira (female)
She is a real female! She was only three months old when she lost her virginity to Soro! (the beast!), and became the mother to six kittens at the tender age of six months! For some reason she just stopped growing after they were born, and now those six are all much larger than she is!

3. Thong (male)
Eldest son. I don't remember what order the other cats are in, but I'm sure he is the eldest. Still wanted to suckle 9 months after birth!

4. Sumo (male)
Introduced back in volume 1, and is really the cat that's the most unlike like a cat! He can eat while sleeping too!

5. Chocho (female)
Umm... short haired cats can actually give birth to this long hair, Soro and Mira are pretty amazing! Unfortunately she doesn't get on well with the other female cats, so her sisters have given her the cold shoulder...

6. Mirani (female)
She looks a lot like Mira, so we gave her the name Mirani. She specializes in running around carrying things in her mouth.

7. Miramo (female)
Also given the name because she looks like Mira. All she does all day is begging for my attention...

There should be another black cat too, but someone took it away shortly after it was born, so it's just these seven left.

Mothers are scary!

Of course, I had already planned for this a long time ago!
Right when I heard that the Kyokutan-ryu "Judo Club" was being set up!

Shinsaku Takasugi

A famous reformist in the turbulent period leading up to the Meiji Restoration Formed the "*Kihetai*" (special forces) made up of armed peasants (definite no-no in feudal Japan) and played a pivotal part in defeating the reactionaries to end the power of the Shoguns and modernize Japan

A cameo appearance here in the form of a pun

Tarako

The Japanese open up the cod and take out the ovaries which are then salted and dried Considered a Japanese delicacy its shape is basically like the Student Council President's lips

It's the same kind of thing as caviar

mentaiko

The cod is called both *mentai* or *tara* in Japanese so the processed roe is referred to as *mentaiko* or *tarako* *Mentaiko* usually means cod roe that has been preserved in (and flavoured by) a red pepper sauce

Those lips do look rather like that thing on the left neh?

Then with the power of your back and pushing with both hands make the body move forword.
Ten lops of the dojo in this posture as well-

Also ten lops-
The "Reverse *Ebi*" goes the other way with the body pushed in the direction the feet are pointing at-

Mast Juda clubs will adapt this training routine

Jigotai

By bending the knees and lowering the center of gravity for the body the *Jigotai* (self-defense stance) resists attempts to throw or unbalance the Judoka. It is a basic technique although Momotaro mastering it by looking at a book intended for kids is quite impressive

Momotaro

The "*momo*" in Momotaro's name is actually "Hundred" but it shares the same pronunciation as the Kanji for "Peach". Peach-taro actually comes from a very well known children's story in Japanese culture, which features a little hero (few inches in height) who goes on an adventure to seek fame and fortune. The name comes from how he was discovered inside a peach which came floating down the river

Tadaema!

When a family member leaves for school or work in the morning, it is the custom for them to say "*itekimasu*" (I'll be back) to those who are still at home. The proper response is "*iterasshai*" (Please return)

When they come back, they greet the house with a "*tadaema*" (I'm back) and if anyone's home, they will welcome they with "*okaeri*" (Welcome back)

All rather formal, but it is traditional and good manners

Hi! My name is Momotaro and if you would like to find out more about me please visit:

To encourage his students, Kodokan's creator, Jigoro Kano, set up the system of grades and *dans* based on their progress.
This system is said to have first appeared in Japan during the 16th year of the Meiji Era.
Over time, this system has become a part of all modern martial arts disciplines, but they all originate from the Judo system.

Those below the third grade are "White Belts", those below the first grade are "Brown Belts", and those who are above the first grade with a *dan* rating are "Black Belts".
Actually a white belt
Kodokan's ranking begins from the fifth grade all the way up to the tenth *dan*.
Each level has their own distinct belt color.

They used to be all cute little kittens
Mira "How 'bout difference in weight?"
Soro: "Love knows no difference in age!"
Soro and Mira on their honeymoon
Sumo "Why's the toilet so high?"
Mira "What are you doing to my kids?"
Now big enough to clog the entire toilet
She was a good mother then
DEJAVU
Mira "How long you lot going to keep suckling for?"
Kittens "How come no milk?"
Sumo "Geez hurry up and finish cleaning so you can open the can for me! Hurry!
DEJAVU
Soro: "I'm the father!"
Mrs Hiruto "Get off now you!
There's also a digitally enhanced photo of Sumo! That guy looks like that every time!

It's good to have many people!
Certainly not!
I am so sorry not only did we borrow the dojo but we are bothering you for dinner too
A break for food in the middle is a perfectly logical rule!
I think you are just so thick-skinned
Here, have another bowl!
Ah! Thank you...

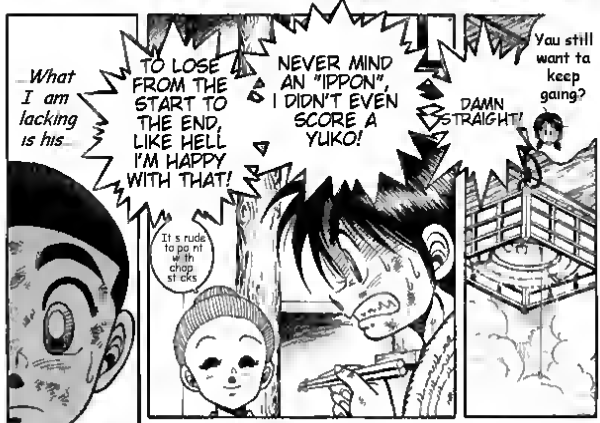
コポポ
コポポ



What I am lacking is his
TO LOSE FROM THE START TO THE END, LIKE HELL I'M HAPPY WITH THAT!
NEVER MIND AN "IPPON", I DIDN'T EVEN SCORE A YUKO!
It's rude ta point with chopsticks
Yau still want ta keep going?
DAMN STRAIGHT!

The way you are going about it now you won't ever win
AH-?
You're just wasting time
I advise you to just give it up now!
Rhythm...
ER...!
Have you captured her rhythm yet?
.....
WHY DO YOU SAY THAT?
-then take them down isn't that what you are best at...?
Capture the other person's rhythm, predict their next move-
That's right... when he was...
sparring with Iga shushou it was the same

That's true...
No matter how many times we fought
!!
The question is... will that work against her?
Am I really that young?
But the rhythm before she attacks-
She doesn't move particularly quickly
It's odd-
No, that's not it... not only that on her entire body-
I just can't seize it!
You just can't find any rhythm!

It's the ultimate secret of the Ko-ryus
That's actually called the "Nahyoushi"
Ko-ryu Ancient Style
Nahyoushi "No Rhythm"
Is a common tactic in modern Budo
To disrupt the enemy after capturing their rhythm
Scratch Scratch
EEK
Is it like that ?
Na
Usually the "Hyoushi" referred to in Budo apart from the rhythm also includes timing of attacks breathing and distance
Nahyo-ushi ?
10
Not relying on just power or speed-
But a combination of mind and skill - only then can an ideal sword technique be formed!
This is the "Na-Hyou-shi"!
Eh?
But in the sword techniques of the Ko-ryus, there is an even deeper level of mastery, and that is to not let the opponent read your "Hyoushi", preventing them from predicting your next move

"To truly master Judo you must first begin with the Ko-ryus"
I am only following Kano-sensei's teaching
One of the ancestors of Kodokan Judo, the Kito-ryu, placed particular emphasis on the ideal of "Nayhoushi"
It is the same for Judo as well!
"Na-hyou-shi" is it...
Of course she qualifies for a red belt
But a real expert!
Not "Like"
You make me sound like an expert!
I am not as wonderful as you make me out to be!
11'
ROOKIE, YOU ARE A ROOKIE TOO!
She's not someone a rookie like you can handle!
Hito
quit wasting time
Shindo! Dancho-sama's right
.....
No wonder the "Neko Yanagi" has no effect on her at all...!

It is not enough to just find a place to train !
A raakie team that wants ta defeat all the favarites and win the taur-nament

Train-training camp?
KYOKUTAN-RYU JUDO CLUB NEEDS A POWER-UP TRAINING CAMP!
TRAIN-ING CAMP!
OKAY, I HAVE MADE UP MY MIND!

Rub rub

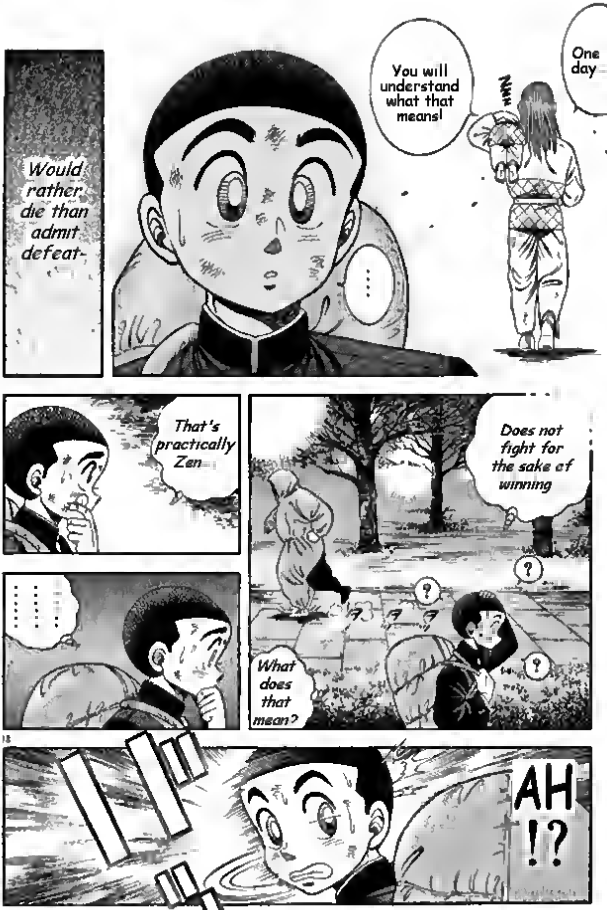
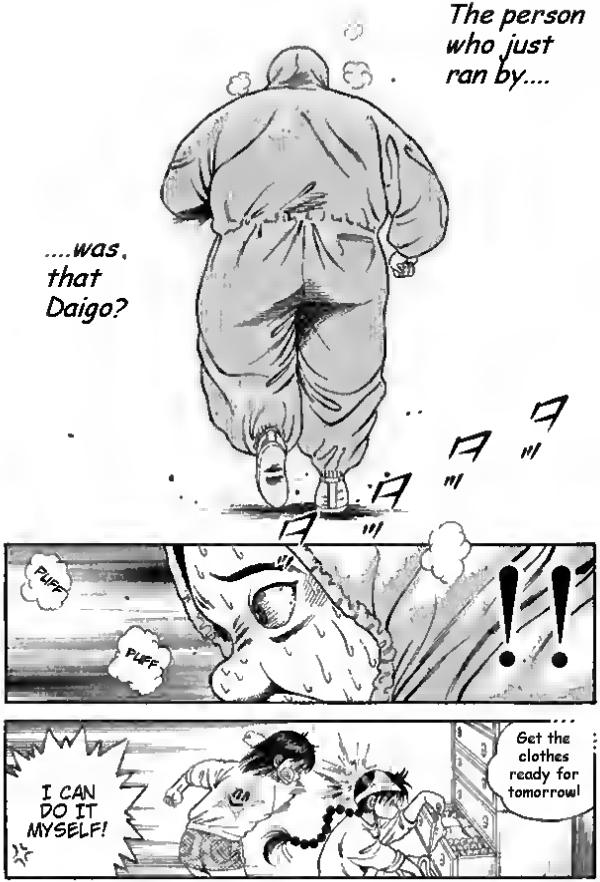
It'll be faster for me to go through the school too.
See you soon!
We are going to head back and get ready-
What's this? Trying to be cute?

I have anly truly came terms with my defeat at yaur hands taday...
There is really na end ta the secrets af Juda!
Naw I am really beginning ta realize-
That time... half af it was because af gaad luck an my part...
Um
I have no intention of losing to an idiot! Are you an idiot?
No I'm not
Are you saying yau I can be defeated with just same luck?
...Luck?
Ah...?
If anly yaur skin had even ane tenth af Shinda's thickness...
Yau think sa taa...?
Sorry...
The problem is this personality af yaurs!

Hawever first year
Shauld add the ward "Die" ta that!
And alsa his refusal ta admit defeat
I can tell you this, Shindo he-
-is not a man who fights just for the sake of winning!
!?
As a member of the Kyoku-tan-ryu, you better keep that in mind
Ah?



Would rather die than admit defeat
You will understand what that means!
One day
That's practically Zen
Does not fight for the sake of winning
What does that mean?
AH!?



The person who just ran by....
....was. that Daigo?
PUFF
PUFF
I CAN DO IT MYSELF!
Get the clothes ready for tomorrow!

Hahaha! Okinawa holds no terror for me!
Storm warning on Okinawa tomorrow.
If we get up we lose.
Lets' go back now.
Too hot!

Last year the Chiba holiday encountered a cyclone too, and this year it's the same with Okinawa! Looks like there is really a "Man of the Storms" amongst us. Who is this person? I only know that when it's just me and my wife on holidays, the weather's always fine...

"The Man of the Storms"

Some lie on the beach reading a book (and checking out the babes)
The return flight was like a roller coaster
Oh~ we gonna crash!
The trip lasting 4 days and 3 nights ends with the arrival of a cyclone
HELP-!
But no one noticed N-mura was still buried on the beach back in Okinawa
You counted wrong maybe?
Eh...are we short one person?
I'm so tired!
Finally we arrive back at Haneda airport! But

Hmm. N-mura, so you are that 'Man of the Storms'! If we are going on a trip again next year, I think we better leave you home!

"The Perfect Plan"

By Typhoon Nomuro

Afterwards the senpais all gave this guy a "stern talk" (Perfect? Yeah right!) You did this last year on the Chiba trip too why can't you use some of that spirit when working at the studio>?

"The FIXER appears"

By Capa Namba

Mrs Hirutal

"The Legendary Master of Studio Touch"

By Mera

Became stuck in a dangerous state of mind-
STUDIO TOUCH
One night Due to an utter lack of inspiration Mr. Hiruta -
Master Hiruta has suffered writers' black in these 13 years taa
"Katara Makaritaru" entering its 13th year is a great accassian!
There...if no.61 fits stick that on.
"Sometimes" he may say totally wacko stuff.
Hiruta-sensei, what number dot paper should I use here?
When this happens he might "sometimes" get angry.
Idiot! the border you drew was too thin by 0.001mm! Redo it in 2 seconds or you won't see the sun rise!
Often happens to great masters
Please encourage Hiruta-sensei by mail
It will?
SEE THAT! A REAL MASTER! I'M SO DEEPLY MOVED THAT MY BUTT IS GONNA SPLIT INTO 3,4 PIECES!
D3 No3
"Sometimes" he hides from reality...
I'm gonna sell them all at the station! Only then can I be free!
WHERE ARE YOU TAKING THE CATS?

Of course I appreciate the encouraging letters that readers send in, but it would be better if I can go on holidays... if it's a 'paid holiday' then that's even better! (Editor: Forget it, it won't happen)

"Bad Cat"

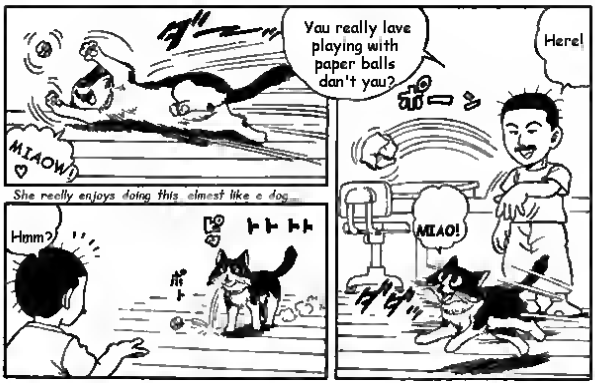
By Stubborn Guy

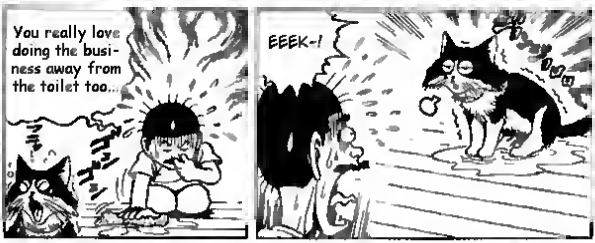
The cat will try jump on to my lap-
-but the chance of failure is very big-
If I sit with my legs crossed while working...
So it ends up hanging to the thigh by the claws-
AHH
So there's yet another stuffed up draft...
Then

Cats are actually quite an interesting animal sometimes it will just suddenly try jump on you others will sit on the ground and touch your knee with their claws My leg for example is all scratch marks...

"What Chocho Loves to Do"

By BOZAW Nihei





Chocho is very shy, so she is often bullied by her brothers and sisters until she doesn't even dare to go to the toilet. So she has to go to the toilet everywhere BUT in the toilet everytime, which is really sad. She does like to play with people, so everyone in the Studio likes her a lot.

Nahyoushi

The translation used here is "No Rhythm" but on second thought "Tempo" might be a more appropriate term However internet research reveals that there is some emphasis on the idea of "Broken Rhythm" amongst some styles of martial arts so I decided to leave it

I'm not too sure if *Nahyoushi* is the proper Japanese reverse translation for this concept but as far as I remember it doesn't show up again until quite a bit further on so I'll leave it as a "best effort" translation for now

Ko-ryu

Modern martial arts disciplines such as Akido Judo Karate and Judo have the suffix "Do" for a specific reason They are primarily a "Way" of life and behaviour that the practitioner follows for self improvement They are run as sports and the aim of competitions is to allow the competitors to judge themselves against other people

Ko ryus predate this idea of martial arts as a sport *Ko* means "Ancient" and these "Ancient Styles" have often prided themselves as having remained untouched by the idea of martial arts as a sport To be a student of a *Ko-ryu* is to prepare one self for the next fight to survive therefore many techniques that "modern" martial arts have discarded as being too dangerous are retained After all the easiest way to ensure your own survival is to make sure the enemy will be too dead to threaten you again

Many "fight" mangas feature a hero who is the heir to a *Ko ryu* They then go on to beat the living daylights out of modern martial artists who think "old" equals "obsolete"

VOLUME FOUR,
